> WAIT FOR THE APPLAUSE .- At a country festival, where the Messiah was performed, the gentleman, to whom men have been estimated in different the aria, "O thou that tellest," had ountries, as well as the various opin- been assigned, anticipating a favorable as that have been published respect- recognition of his talents, wrote at the ing them. Plato rejoiced that he was end of the song (the chorus following immediately) the words, "Wait for the applause." This he indersed not only in the leader's copy, but in every one o"the orchestra. At the conclusion of the song the leader stopped, and there was a dead stop. "Why do you not go on?" said the singer, in an agony of have recognized this axiom. 'Amongst disappointed vanity. "I am waiting the ancient Germans, however, women for the applause," was the calm reply were in very high estimation. Taci. of the sarcastic conductor. This story tus informs us, that they were not only rominds us of an aneedote which Robtreated by their husbands with the ert Hall of Bri tol was accustomed to greatest confidence, in their domestic relate. "I remember," s.ys his biogoccupations, but were even made par rapher, "at a distance of many years, takers of their martial toils. And so with what a vivid feeling of the ludifar did they carry their respect, that crous he related an anecdote of a preathey even believed a certain divinity cher of some account in his day and to reside in the female heart, a belief connection. He would, in preaching, which was encouraged to such an ex- sometimes weep, or seem to weep, when tent among some of the fiercest of the the people wondered why, as not per-German tribes, that they permited wes ceiving in what he was saying any men to rule over them in the name of cause for such emotion, in the exact the deity. Similar instances may also places in which it occurred. After be mentioned among the ancient Bei. his death, one of his heavers, happentons, in the persons of Boadicea and ing to inspect some of his manuscript Cartismandua; and the same degree of sermons, exclaimed, "I have found the explanation; we used to wonder at the doctor's weeping with so little reason Woman has been the poet's favorite sometimes, as it seemed. In his sermons there is written here and there in the margins, 'ery here;" now, I really believe the doctor sometimes mistook ing, among the thousand specimens the place, and that was the cause of

> > MIGHTY DRY .- Some time ago Huntsville, Alabama, was under municipal law, permitting only druggists to sell intoxicating liquors, and then on ly by a written order from a physician. it happened on a cold rainy day that a fast chap, whose name might have been Johnson, a drummer for a New York day goods store, dropped into Huntsville, and after stoppi ; at the hotel, wrote a note for a bottle of whisky .-The boy returned minus the whiskey, but with the information that a physician's order would bring it. It only required a moment to add "M. D." to Johnson's name attached to the note, and the whisky was forthcoming. The next day, in conversation with Johnson, the druggist addressed him as "Doctor." "Beg pardon," said Johnson. "But M. D. to your name yes-

THE TRUNDLE-BED .- The palmies sleep we ever experienced was who we were nestling in the old trundlebed, with a curly-haired brother fust bed dreams were soon at an end, for

Oh! where are the little heads, that we have kissed a thousand times o'er. as they nestled in the old trundletheir everlasting pillow, in widely seperated lands. We are always sad when we think of the trundle-bed.

The Methodist Church, for 1867.
